My premium is due and payable on the first of each month depending on the frequency of payment that I select above. I agree that if any such debit is dishonored, whether with or without cause and whether intentionally or unintentionally, MBA and the depository institution shall be under no liability whatsoever even if termination of insurance results. This agreement is to remain in full force and effect until MBA has terminated it upon 60 days notice to me, or received notification from me of its termination in such time and manner as to afford MBA a reasonable opportunity to act on it.

Step 6 | Beneficiary Designation

You must select your beneficiary – the person (or more than one person) or legal entity (or more than one entity) who receives a benefit payment if you die while covered by the plans. Please make sure that you also name a contingent beneficiary – who would receive your benefit if your primary beneficiary dies first.

Please make sure your beneficiary designation is clear so that there will be no question as to your meaning. If you name more than one primary or contingent beneficiary, show the percentage of your benefit to be paid to each beneficiary. Please provide all of the information requested below. If your beneficiary is not related either by blood or by marriage, insert the words, "Not Related" as their stated relationship. If you need assistance, contact your administrator or your own legal advisor.

A primary beneficiary is the beneficiary or beneficiaries that you name to receive the benefits if they are living at the time of your death. The primary beneficiaries are the first in line to receive death benefits. Contingent beneficiaries, or secondary beneficiaries, are those named to receive the insurance proceeds if no primary beneficiary is alive at the time you die.

Primary Beneficiary				
Primary Beneficiary Name:	Social Security:	Date of Birth:	Relationship:	Percentage:
Address: (Street, City, State, Zip)			Phone Number:	

The beneficiary for insurance on the lives of your dependents will automatically be you, if surviving. Otherwise, the beneficiary will be subject to policy provisions. A beneficiary for member's Hospital Indemnity Insurance may be changed upon written request.

Spousal Consent: Consent For Community Property States Only: If you live in a community property state – Alaska, Arizona, California, Idaho, Louisiana, Nevada, New Mexico, Puerto Rico, Texas, Washington and Wisconsin – you may complete the Spousal Consent section, which allows your spouse to waive his or her rights to any community property interest in the benefit. Disclaimer: Spousal consent does not apply to ERISA plans. Certain tribal jurisdictions may also require spousal consent. Please see your Administrator for details.

This will represent that, as spouse of the Member named above, I hereby consent to my spouse designating the person(s) listed above as beneficiaries of group Hospital Indemnity Insurance under the above policy and waive any rights I may have to the proceeds of such insurance under applicable community property laws. I understand that this consent and waiver supersede any prior spousal consent under this plan.
